

**D. Hauled Waste Discharge Location**

- i. Designated discharge locations, times and types of hauled waste accepted are subject to change as deemed necessary by the Director of Water Pollution Control.
- ii. Authorized hauled waste may be discharged at designated COH WWTPs as outlined:

Spring Branch WWTP    6:30 am to 5:00 pm    Grease trap/interceptor, septic tank waste  
1800 Vermont Road

Western Area WWTP    7:00 am to 5:00 pm    Portable toilet waste, septic tank waste  
733 Landess Circle

Aldridge Creek WWTP    7:00 am to 5:00 pm    Portable toilet waste  
13331 Memorial Parkway

Chase Area WWTP    7:00 am to 3:00 pm    Portable toilet waste  
907 Wess Taylor Road

**E. Hauled Waste Receipts**

No hauled waste transporter shall discharge or cause to be discharged hauled waste without presenting a completed Hauled Waste Receipt form to the on duty operator prior to discharge.

**F. Conditions of Discharge**

- i. The on-duty Operator shall be contacted upon arrival at the designated WWTP and must be present during the discharge.
- ii. The hauled waste transporter will, in the event of spills or leakage of hauled waste on the WWTP’s premises, as a result of his acts or faulty equipment, appropriately clean, to the satisfaction of the on duty operator, the area involved.

**G. Refusal of Hauled Waste**

- i. The Director of Water Pollution Control reserves the right to suspend and/or revoke discharge privileges of any hauled waste transporter for failing to follow any of the conditions listed in this policy.
- ii. The Director of Water Pollution Control has the right to refuse to accept the discharge of any hauled waste brought to any designated COH WWTP if, in the opinion of the on duty operator, based on a review of the Hauled Waste Receipt form:
  - a) The hauled waste does not meet the conditions under which prior approval was granted, or
  - b) The hauled waste could cause operational and maintenance problems, be detrimental to the health and safety of COH employees or cause violations of the COH WWTP’s NPDES Permit or any other City, State, or Federal environmental laws and regulations.

## **H. Fees for Discharge of Hauled Waste**

Hauled waste transporters shall pay a fee for hauled waste discharged pursuant to COH Sewer Use Ordinance No. 77-433, as amended. Hauled waste transporters will be billed by Water Pollution Control monthly.
